

Outdoor Towel Rack

INSTRUCTION:

Put an end to the poolside mess! Organize your family's towels, toys, floats and swimwear. Dry towels & swimwear efficiently (which means less laundry and less wet towels strewn everywhere). The multifunctional 5-Bar poolside towel rack is designed and built to meet our high quality standard. Its innovative, sturdy tiered cross bar design allows for the optimized drying of full length towels. The large base ensures that it won't tip over like other towel racks. The higher bars can be used to store and hold tall pool toys and floats while the lower bars provide the perfect space for swimwear and small pool accessories. Our poolside towel racks are made for the outdoors. The unique, glossy furniture-grade PVC UV blocking, will not rust and is easy to wipe clean. Assembly required. Easy and fast. PVC glue is optional and not included.. Towels and other accessories not included.
