TOUGH TOOLS, HALF PRICE

Technical Support and E-Warranty Certificate www.vevor.com/support

Mounted Cat Shelf Installation Instructions

We continue to be committed to provide you tools with competitive price.

"Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

(M4*70)  N1x12	(M6*40)  N2x12	 E1x12  E2x12
* each set of products is equipped with screwdrivers and wrenches		

COMPONENTS

(M8*35)	(M4*20)	(M8*70)
		
R1x2	R2x2	R3x2

Assembly Instructions

TIPS:

1. The number of screws marked above is the actual number used during installation. When the product is shipped, 1~3 more screws of each type will be given as spares.
2. During the use of the product, children are prohibited from approaching without the company of adults.
3. The edge of the product is a bit sharp, and you need to wear gloves for installation; at the same time, it comes with sandpaper, so you can polish the edge again by yourself; without gloves, be careful when touching the running wheel.
4. Do not tighten the installation screws at once. Tighten the installation screws twice after all screws are aligned
5. It is recommended that two or more people install the device

6. Please use the following tools to install

Tape measure

Scissors

Marker pen

screwdriver

Electric drill

Assembly Instructions

Mark the position on the wall against the plate, drill the hole and bury the expansion tube
(A 6mm drill bit is used for solid walls and a yellow expansion tube is embedded; a 9mm drill bit is used for hollow walls and a butterfly expansion tube is embedded)

Expansion
solenoid

Butterfly
