We continue to be committed to provide you tools with competitive price.

"Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

RC dump truck Model: 1551, 1535-1, 1592

FCC Information (FCC ID:2AT93HUINA-1550) :

CAUTION: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment!

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- 1) This product may cause harmful interference.
- 2) This product must accept any interference received, including interference that may cause undesired operation.

WARNING: Changes or modifications to this product not expressly approved by the party responsible for compliance could void the user's authority to operate the product.

Note: This product has been tested and found to comply with the limits for a Class B digital device pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This product generates, uses and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, it may cause harmful interference in radiocommunications. However, there is no guarantee that interference will not occur in a particular installation. If this product does cause harmful interference to radio or television reception, which can be determined by turning the product off and on, the user is encouraged to try to correct the interference by one or more of the following measures.

- Reorient or relocate the receiving antenna.
- Increase the distance between the product and the receiver.
- Connect the product to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for assistance.

Correct Disposal

This product is subject to the provision of European Directive 2012/19/EU. The symbol showing a wheeled bin crossed through indicates that the product requires separate refuse collection in the European Union. This applies to the product and all accessories marked with this symbol. Products marked as such may not be discarded with normal domestic waste, but must be taken to a collection point for recycling electrical and electronic devices.

R/C FULLY FUNCTIONAL PROFESSIONAL EXCAVATOR

In order to more rapidly and freely operate the remote-controlled model, please read the instructions before usage.
The packages and instructions contain important information, please keep them well. In case the product figure differs from real object, the real object will prevail.

DON'T IMPROPERLY USE THIS PRODUCT

Don't willfully dismantle, modify or process it. For any modification and maintenance, please use the parts list in product content to ensure structure safety. Please operate products within specified limit, overload is forbidden, and illegal purposes in violation of safety order are forbidden too.

IMPORTANT NOTICES

Note! The products are manufactured by batches after performances have been strictly demonstrated and practically tested to verify meeting safety standards, but personnel below 8 are forbidden to use it. For any use of remote-controlled model, the manufacturer or dealer won't bear any responsibility for accidents resulted from abnormal parts usage and wearing, improper assembling or operation under unsafe environment. Please be sure to operate this product under safe environment. This company won't bear property loss and personal injury resulted from improper operation/dismantling/modification on sold product.

NO.1592

The Company has the right of final interpretation of this instruction manual statement.

MADE IN CHINA

Thank you for purchasing this R/C model manufactured by Guangdong Huina Model Co., Ltd. Please read the instruction completely to gain using method.

FUNCTION INTRODUCTION OF REMOTE CONTROL

ATTENTION:
To use the accessory function, please buy accessories.

Installation of Remote Control Battery

1. Loosen the screw of battery cover by screwdriver and take out battery cover. (Fig. 1)
2. Put four 1.5V "AA" batteries (batteries need to be purchased separately) into the battery box to the right polarity at the bottom of remote control. (Fig. 2)
3. Install the battery cover and tighten the screw. (Fig. 3)

Battery Installation Instructions:

1. Take out and install battery correctly.
2. The non-rechargeable battery can't be charged.
3. The rechargeable battery can only be charged under custody of adults;
4. Different batteries or new and old batteries can't be used together;
5. Battery of same model or recommended model can be used;
6. The rechargeable battery should be taken out from model before charging.
7. Battery should be placed with correct polarity;
8. The exhausted battery should be taken out from model;
9. Short-circuit of battery terminal is forbidden;

1

EXCAVATOR DRIVING CONTROL

6

DIGGING ARM AND PLATFORM CONTROL

5

INSTALLATION OF REMOTE-CONTROL MODEL BATTERY

1. Slide the battery buckle and remove the battery cover.
2. Connect the rechargeable battery to the power port of the excavator and place it in the battery box.

3. Install the battery cover, rotate the battery cover lock, Battery installation is complete.

REMOTE CONTROL FREQUENCY PAIRING AND POWER ON

1. This product is equipped with remote control of 2.4GHz. When a user operate it for the first time, please install batteries into model and remote control, then turn the power on, the model is turned on and frequency is automatically paired, and frequency pairing sound is given, "beeps" indicates the frequency has been paired.

Control of light and sound

2

BATTERY CHARGING INSTRUCTIONS

CHARGING METHODS

Connect the white port of Li-ion to USB charging port, as shown in the Figure, and ensure port can be connected tightly and correctly, then insert the USB charging plug into power adapter, and perform charging.

BATTERY/USB PARAMETERS

Battery specifications: 18650
7.4V 1200mAh Li-ion
Intelligent USB balance charger with overcharge protection
Input: 5V 2A
Output: 7.4V === 1000mA

INDICATOR LIGHT STATUS AT THE TIME OF CHARGING:

Uncharged state: red light always lit
Charged state: Red light always lit + Green light flashes
Full charging state: Green light always lit
Charging period: 2-4 hours
When battery is charged, please pull off the USB charger lead in time.

Precautions Of Li-ion

1. Battery can be charged only by originally configured USB charger lead;
2. Be sure to charge with white big-socket port while not the red socket;
3. 7.4V Li-ion must be equipped with 5V USB charging plug;
4. The Li-ion with damaged appearance can't be charged, to avoid fire hazards resulted from spontaneous combustion.
5. Li-ion must be charged in sheet iron box;
6. Battery should be charged within specified charging period.

Safe Usage Instructions for Li-ion

- Li-ion is of higher danger compared with other batteries. Be sure to carefully read the instructions and follow precautions and charging methods before usage.
- This company won't bear any responsibility resulted from improper usage.
- It is strictly forbidden to charge Li-ion with non-original charger, to avoid explosion and fire hazards. Impact, dismantling, inverse connection of positive and negative polarities and incinerating battery are strictly forbidden, to avoid short circuit resulted from metal objects' impacting positive and negative polarities of battery. And please prevent sharp objects from penetrating battery, to avoid catching fire of battery.
- Be prudent and careful to perform charging, to ensure charging can be performed within your visibility range.
- Charger should be out of reach of children to avoid danger.
- The degraded battery shouldn't be charged, otherwise, battery expansion, deformation, explosion even fire hazard will occur, endangering safety and lives and properties.
- The discarded batteries should be recovered by strictly following national or regional waste disposal decrees, so as not to pollute environment.

3

PARTS REPLACEMENT (SOLD SEPARATELY)

11. Unscrew the bucket anchor screws (Fig. 1) and dismantle the bucket (Fig. 2).

2. Install the part onto median arm, insert the screws and tighten the part with nuts.

Camion à benne basculante RC Modèle : 1551, 1535-1, 1592

Informations FCC (ID FCC : 2AT93HUINA-1550) :

ATTENTION : Les changements ou modifications non expressément approuvés par la partie responsable

Le non-respect de ces instructions pourrait annuler l'autorisation de l'utilisateur à utiliser l'équipement !

Cet appareil est conforme à la partie 15 des règles de la FCC. Son fonctionnement est soumis aux conditions suivantes deux conditions :

- 1) Ce produit peut provoquer des interférences nuisibles.
- 2) Ce produit doit accepter toute interférence reçue, y compris les interférences qui peuvent provoquer un fonctionnement indésirable.

AVERTISSEMENT : Les changements ou modifications apportés à ce produit non expressément approuvés par la partie responsable de la conformité pourrait annuler l'autorité de l'utilisateur à utiliser le produit.

Remarque : ce produit a été testé et jugé conforme aux limites d'un produit numérique de classe B.

appareil conformément à la partie 15 des règles de la FCC. Ces limites sont conçues pour fournir protection raisonnable contre les interférences nuisibles dans une installation résidentielle.

Ce produit génère, utilise et peut émettre de l'énergie radiofréquence et, s'il n'est pas installé, et utilisé conformément aux instructions, il peut provoquer des interférences nuisibles dans radiocommunications. Cependant, il n'existe aucune garantie que des interférences ne se produiront pas dans un installation particulière. Si ce produit provoque des interférences nuisibles avec la radio ou la télévision réception, qui peut être déterminée en éteignant et en rallumant le produit, l'utilisateur est encouragés à essayer de corriger l'interférence par une ou plusieurs des mesures suivantes.

- Réorienter ou déplacer l'antenne de réception.
- Augmenter la distance entre le produit et le récepteur.
- Branchez le produit sur une prise d'un circuit différent de celui auquel est connecté le récepteur.
- Consultez le revendeur ou un technicien radio/TV expérimenté pour obtenir de l'aide.

Élimination correcte

Ce produit est soumis aux dispositions de la directive européenne 2012/19/UE.

Le symbole représentant une poubelle à roulettes barrée indique que le produit nécessite collecte séparée des déchets dans l'Union européenne. Cela s'applique au produit et

tous les accessoires marqués de ce symbole. Les produits marqués comme tels peuvent ne pas être

jeté avec les ordures ménagères normales, mais doit être apporté à un point de collecte pour être recyclé appareils électriques et électroniques.

Continuiamo a impegnarci per fornirvi strumenti a prezzi competitivi.

"Risparmia la metà", "Metà prezzo" o qualsiasi altra espressione simile da noi utilizzata rappresenta solo un stima del risparmio che potresti ottenere acquistando determinati strumenti con noi rispetto a grandi marchi top e non significa necessariamente coprire tutte le categorie di strumenti offerti da noi. Ti ricordiamo cortesemente di verificare attentamente quando effettui un ordine con noi se si risparmia effettivamente la metà rispetto ai marchi più noti.

Questa è l'istruzione originale, si prega di leggere attentamente tutte le istruzioni del manuale prima operativo. VEVOR si riserva una chiara interpretazione del nostro manuale utente. L'aspetto del prodotto sarà soggetto al prodotto che hai ricevuto. Per favore perdonaci se noi non ti informeremo più se ci saranno aggiornamenti tecnologici o software sul nostro prodotto.

Autocarro con cassone ribaltabile RC Modello: 1551, 1535-1, 1592

Informazioni FCC (ID FCC: 2AT93HUINA-1550):

ATTENZIONE: Cambiamenti o modifiche non espressamente approvati dal responsabile

la conformità potrebbe invalidare il diritto dell'utente a utilizzare l'apparecchiatura!

Questo dispositivo è conforme alla Parte 15 delle Norme FCC. Il funzionamento è soggetto a quanto segue due condizioni:

- 1) Questo prodotto può causare interferenze dannose.
- 2) Questo prodotto deve accettare qualsiasi interferenza ricevuta, comprese le interferenze che possono causare un funzionamento indesiderato.

ATTENZIONE: Cambiamenti o modifiche a questo prodotto non espressamente approvati dalla parte responsabile della conformità potrebbe invalidare il diritto dell'utente a utilizzare il prodotto.

Nota: questo prodotto è stato testato e ritenuto conforme ai limiti per un dispositivo digitale di Classe B dispositivo ai sensi della Parte 15 delle Norme FCC. Questi limiti sono progettati per fornire protezione ragionevole contro interferenze dannose in un'installazione residenziale.

Questo prodotto genera, utilizza e può irradiare energia a radiofrequenza e, se non installato e utilizzato in conformità alle istruzioni, può causare interferenze dannose in radiocomunicazioni. Tuttavia, non vi è alcuna garanzia che non si verifichino interferenze in un'installazione particolare. Se questo prodotto causa interferenze dannose alla radio o alla televisione ricezione, che può essere determinata accendendo e spegnendo il prodotto, l'utente è incoraggiato a provare a correggere l'interferenza mediante una o più delle seguenti misure.

- Riorientare o riposizionare l'antenna ricevente.
- Aumentare la distanza tra il prodotto e il ricevitore.
- Collegare il prodotto a una presa su un circuito diverso da quello a cui è collegato il ricevitore collegato.
- Per assistenza, consultare il rivenditore o un tecnico radio/TV esperto.

Smaltimento corretto

Questo prodotto è soggetto alle disposizioni della Direttiva europea 2012/19/UE.

Il simbolo raffigurante un bidone della spazzatura barrato indica che il prodotto richiede raccolta differenziata dei rifiuti nell'Unione Europea. Ciò vale per il prodotto e

tutti gli accessori contrassegnati con questo simbolo. I prodotti contrassegnati come tali potrebbero non essere

smaltiti con i normali rifiuti domestici, ma deve essere portato in un punto di raccolta per il riciclaggio dispositivi elettrici ed elettronici.

R/C FULLY FUNCTIONAL PROFESSIONAL EXCAVATOR

In order to more rapidly and freely operate the remote-controlled model, please read the instructions before usage.
The packages and instructions contain important information, please keep them well, In case the product figure differs from real object, the real object will prevail.

DON'T IMPROPERLY USE THIS PRODUCT

Don't willfully dismantle, modify or process it. For any modification and maintenance, please use the parts list in product content to ensure structure safety. Please operate products within specified limit, overload is forbidden, and illegal purposes in violation of safety order are forbidden too.

IMPORTANT NOTICES

Note! The products are manufactured by batches after performances have been strictly demonstrated and practically tested to verify meeting safety standards, but personnel below 8 are forbidden to use it. For any use of remote-controlled model, the manufacturer or dealer won't bear any responsibility for accidents resulted from abnormal parts usage and wearing, improper assembling or operation under unsafe environment. Please be sure to operate this product under safe environment. This company won't bear property loss and personal injury resulted from improper operation/dismantling/modification on sold product.

NO.1592

The Company has the right of final interpretation of this instruction manual statement.

MADE IN CHINA

Thank you for purchasing this R/C model manufactured by Guangdong Huina Model Co., Ltd. Please read the instruction completely to gain using method.

FUNCTION INTRODUCTION OF REMOTE CONTROL

ATTENTION:
To use the accessory function,
please buy accessories.

Installation of Remote Control Battery

1. Loosen the screw of battery cover by screwdriver and take out battery cover. (Fig. 1)
2. Put four 1.5V "AA" batteries (batteries need to be purchased separately) into the battery box to the right polarity at the bottom of remote control. (Fig. 2)
3. Install the battery cover and tighten the screw. (Fig. 3)

Battery Installation Instructions:

1. Take out and install battery correctly.
2. The non-rechargeable battery can't be charged.
3. The rechargeable battery can only be charged under custody of adults;
4. Different batteries or new and old batteries can't be used together;
5. Battery of same model or recommended model can be used;
6. The rechargeable battery should be taken out from model before charging.
7. Battery should be placed with correct polarity;
8. The exhausted battery should be taken out from model;
9. Short-circuit of battery terminal is forbidden;

DIGGING ARM AND PLATFORM CONTROL

5

INSTALLATION OF REMOTE-CONTROL MODEL BATTERY

REMOTE CONTROL FREQUENCY PAIRING AND POWER ON

1. This product is equipped with remote control of 2.4GHz. When a user operate it for the first time, please install batteries into model and remote control, then turn the power on, the model is turned on and frequency is automatically paired, and frequency pairing sound is given, "beeps" indicates the frequency has been paired.

Control of light and sound

2

BATTERY CHARGING INSTRUCTIONS

CHARGING METHODS

Connect the white port of Li-ion to USB charging port, as shown in the Figure, and ensure port can be connected tightly and correctly, then insert the USB charging plug into power adapter, and perform charging.

BATTERY/USB PARAMETERS

Battery specifications: 18650
7.4V 1200mAh Li-ion
Intelligent USB balance charger with overcharge protection
Input: 5V 2A
Output: 7.4V === 1000mA

INDICATOR LIGHT STATUS AT THE TIME OF CHARGING:

Uncharged state: red light always lit
Charged state:
Red light always lit + Green light flashes
Full charging state:
Green light always lit
Charging period: 2-4 hours
When battery is charged, please pull off the USB charger lead in time.

Precautions Of Li-ion

1. Battery can be charged only by originally configured USB charger lead;
2. Be sure to charge with white big-socket port while not the red socket;
3. 7.4V Li-ion must be equipped with 5V USB charging plug;
4. The Li-ion with damaged appearance can't be charged, to avoid fire hazards resulted from spontaneous combustion.
5. Li-ion must be charged in sheet iron box;
6. Battery should be charged within specified charging period.

Safe Usage Instructions for Li-ion

- Li-ion is of higher danger compared with other batteries. Be sure to carefully read the instructions and follow precautions and charging methods before usage.
- This company won't bear any responsibility resulted from improper usage.
- It is strictly forbidden to charge Li-ion with non-original charger, to avoid explosion and fire hazards. Impact, dismantling, inverse connection of positive and negative polarities and incinerating battery are strictly forbidden, to avoid short circuit resulted from metal objects' impacting positive and negative polarities of battery. And please prevent sharp objects from penetrating battery, to avoid catching fire of battery.
- Be prudent and careful to perform charging, to ensure charging can be performed within your visibility range.
- Charger should be out of reach of children to avoid danger.
- The degraded battery shouldn't be charged, otherwise, battery expansion, deformation, explosion even fire hazard will occur, endangering safety and lives and properties.
- The discarded batteries should be recovered by strictly following national or regional waste disposal decrees, so as not to pollute environment.

MADE IN CHINA

Thank you for purchasing this R/C model manufactured by Guangdong Huina Model Co., Ltd. Please read the instruction completely to gain using method.

FUNCTION INTRODUCTION OF REMOTE CONTROL

ATTENTION:
To use the accessory function, please buy accessories.

Installation of Remote Control Battery

1. Loosen the screw of battery cover by screwdriver and take out battery cover. (Fig. 1)
2. Put four 1.5V "AA" batteries (batteries need to be purchased separately) into the battery box to the right polarity at the bottom of remote control. (Fig. 2)
3. Install the battery cover and tighten the screw. (Fig. 3)

Battery Installation Instructions:

1. Take out and install battery correctly.
2. The non-rechargeable battery can't be charged.
3. The rechargeable battery can only be charged under custody of adults;
4. Different batteries or new and old batteries can't be used together;
5. Battery of same model or recommended model can be used;
6. The rechargeable battery should be taken out from model before charging.
7. Battery should be placed with correct polarity;
8. The exhausted battery should be taken out from model;
9. Short-circuit of battery terminal is forbidden;

2

BATTERY CHARGING INSTRUCTIONS

CHARGING METHODS

Connect the white port of Li-ion to USB charging port, as shown in the Figure, and ensure port can be connected tightly and correctly, then insert the USB charging plug into power adapter, and perform charging.

BATTERY/USB PARAMETERS

Battery specifications: 18650
7.4V 1200mAh Li-ion
Intelligent USB balance charger with overcharge protection
Input: 5V 2A
Output: 7.4V === 1000mA

INDICATOR LIGHT STATUS AT THE TIME OF CHARGING:

Uncharged state: red light always lit
Charged state: Red light always lit + Green light flashes
Full charging state: Green light always lit
Charging period: 2-4 hours
When battery is charged, please pull off the USB charger lead in time.

Precautions Of Li-ion

1. Battery can be charged only by originally configured USB charger lead;
2. Be sure to charge with white big-socket port while not the red socket;
3. 7.4V Li-ion must be equipped with 5V USB charging plug;
4. The Li-ion with damaged appearance can't be charged, to avoid fire hazards resulted from spontaneous combustion.
5. Li-ion must be charged in sheet iron box;
6. Battery should be charged within specified charging period.

Safe Usage Instructions for Li-ion

- Li-ion is of higher danger compared with other batteries. Be sure to carefully read the instructions and follow precautions and charging methods before usage.
- This company won't bear any responsibility resulted from improper usage.
- It is strictly forbidden to charge Li-ion with non-original charger, to avoid explosion and fire hazards. Impact, dismantling, inverse connection of positive and negative polarities and incinerating battery are strictly forbidden, to avoid short circuit resulted from metal objects' impacting positive and negative polarities of battery. And please prevent sharp objects from penetrating battery, to avoid catching fire of battery.
- Be prudent and careful to perform charging, to ensure charging can be performed within your visibility range.
- Charger should be out of reach of children to avoid danger.
- The degraded battery shouldn't be charged, otherwise, battery expansion, deformation, explosion even fire hazard will occur, endangering safety and lives and properties.
- The discarded batteries should be recovered by strictly following national or regional waste disposal decrees, so as not to pollute environment.

Vi fortsätter att vara engagerade i att ge dig verktyg till konkurrenskraftiga priser.

"Spara hälften", "Halva priset" eller andra liknande uttryck som används av oss representerar endast en uppskattning av besparingar du kan dra nytta av att köpa vissa verktyg hos oss jämfört med stora toppmärken och betyder inte nödvändigtvis att täcka alla kategorier av verktyg som erbjuds av oss. Du påminns om att kontrollera noggrant när du gör en beställning hos oss om du faktiskt sparar hälften i jämförelse med de främsta stora varumärkena.

Detta är den ursprungliga instruktionen, läs alla manualer noggrant innan

fungerar. VEVOR reserverar sig för en tydlig tolkning av vår användarmanual. Utseendet

av produkten ska vara föremål för produkten du fått. Förlåt oss att vi

kommer inte att informera dig igen om det finns några teknik- eller programuppdateringar på vår produkt.

RC dumper modell: 1551/1535-1/1592 FCC-information (FCC ID:2AT93HUINA-1550):

WARNING: Ändringar eller modifieringar som inte uttryckligen godkänts av den part som ansvarar för överensstämmelse kan ogiltigförklara användarens behörighet att använda utrustningen!

Denna enhet uppfyller del 15 av FCC-reglerna. Driften är föremål för följande

två villkor:

- 1) Denna produkt kan orsaka skadliga störningar.
- 2) Denna produkt måste acceptera alla mottagna störningar, inklusive störningar som kan orsaka oönskad funktion.

WARNING: Ändringar eller modifieringar av denna produkt som inte uttryckligen godkänts av parten ansvarig för efterlevnad kan ogiltigförklara användarens behörighet att använda produkten.

Obs: Denna produkt har testats och befunnits uppfylla gränserna för en digital klass B enhet i enlighet med del 15 av FCC-reglerna. Dessa gränser är utformade för att tillhandahålla rimligt skydd mot skadliga störningar i en bostadsinstallation.

Denna produkt genererar, använder och kan utstråla radiofrekvensenergi, och om den inte är installerad och används i enlighet med instruktionerna, kan det orsaka skadliga störningar i radiokommunikation. Det finns dock ingen garanti för att störningar inte kommer att inträffa i en speciell installation. Om denna produkt orsakar skadliga störningar på radio eller TV mottagning, som kan fastställas genom att stänga av och på produkten, är användaren uppmuntras att försöka korrigera störningen genom en eller flera av följande åtgärder.

- Rikta om eller flytta mottagningsantennen.
- Öka avståndet mellan produkten och mottagaren.
- Anslut produkten till ett uttag på en annan krets än den som mottagaren är till ansluten.
- Kontakta återförsäljaren eller en erfaren radio/TV-tekniker för hjälp.

Korrekt avfallshantering

Denna produkt omfattas av bestämmelserna i det europeiska direktivet 2012/19/EU. De symbol som visar en soptunna på hjul korsad anger att produkten kräver separat sophämtning i Europeiska unionen. Detta gäller produkten och

alla tillbehör märkta med denna symbol. Produkter märkta som sådana kanske inte är det kasseras tillsammans med vanligt hushållsavfall, men måste lämnas till en samlingsplats för återvinning elektriska och elektroniska apparater.

R/C FULLY FUNCTIONAL PROFESSIONAL EXCAVATOR

In order to more rapidly and freely operate the remote-controlled model, please read the instructions before usage.
The packages and instructions contain important information, please keep them well, In case the product figure differs from real object, the real object will prevail.

DON'T IMPROPERLY USE THIS PRODUCT

Don't willfully dismantle, modify or process it. For any modification and maintenance, please use the parts list in product content to ensure structure safety. Please operate products within specified limit, overload is forbidden, and illegal purposes in violation of safety order are forbidden too.

IMPORTANT NOTICES

Note! The products are manufactured by batches after performances have been strictly demonstrated and practically tested to verify meeting safety standards, but personnel below 8 are forbidden to use it. For any use of remote-controlled model, the manufacturer or dealer won't bear any responsibility for accidents resulted from abnormal parts usage and wearing, improper assembling or operation under unsafe environment. Please be sure to operate this product under safe environment. This company won't bear property loss and personal injury resulted from improper operation/dismantling/modification on sold product.

NO.1592

The Company has the right of final interpretation of this instruction manual statement.

MADE IN CHINA

Thank you for purchasing this R/C model manufactured by Guangdong Huina Model Co., Ltd. Please read the instruction completely to gain using method.

FUNCTION INTRODUCTION OF REMOTE CONTROL

ATTENTION:
To use the accessory function, please buy accessories.

Installation of Remote Control Battery

1. Loosen the screw of battery cover by screwdriver and take out battery cover. (Fig. 1)
2. Put four 1.5V "AA" batteries (batteries need to be purchased separately) into the battery box to the right polarity at the bottom of remote control. (Fig. 2)
3. Install the battery cover and tighten the screw. (Fig. 3)

Battery Installation Instructions:

1. Take out and install battery correctly.
2. The non-rechargeable battery can't be charged.
3. The rechargeable battery can only be charged under custody of adults;
4. Different batteries or new and old batteries can't be used together;
5. Battery of same model or recommended model can be used;
6. The rechargeable battery should be taken out from model before charging.
7. Battery should be placed with correct polarity;
8. The exhausted battery should be taken out from model;
9. Short-circuit of battery terminal is forbidden;

INSTALLATION OF REMOTE-CONTROL MODEL BATTERY

REMOTE CONTROL FREQUENCY PAIRING AND POWER ON

1. This product is equipped with remote control of 2.4GHz. When a user operate it for the first time, please install batteries into model and remote control, then turn the power on, the model is turned on and frequency is automatically paired, and frequency pairing sound is given, "beeps" indicates the frequency has been paired.

Control of light and sound

2

BATTERY CHARGING INSTRUCTIONS

CHARGING METHODS

Connect the white port of Li-ion to USB charging port, as shown in the Figure, and ensure port can be connected tightly and correctly, then insert the USB charging plug into power adapter, and perform charging.

BATTERY/USB PARAMETERS

Battery specifications: 18650
7.4V 1200mAh Li-ion
Intelligent USB balance charger with overcharge protection
Input: 5V 2A
Output: 7.4V === 1000mA

INDICATOR LIGHT STATUS AT THE TIME OF CHARGING:

Uncharged state: red light always lit
Charged state: Red light always lit + Green light flashes
Full charging state: Green light always lit
Charging period: 2-4 hours
When battery is charged, please pull off the USB charger lead in time.

Precautions Of Li-ion

1. Battery can be charged only by originally configured USB charger lead;
2. Be sure to charge with white big-socket port while not the red socket;
3. 7.4V Li-ion must be equipped with 5V USB charging plug;
4. The Li-ion with damaged appearance can't be charged, to avoid fire hazards resulted from spontaneous combustion.
5. Li-ion must be charged in sheet iron box;
6. Battery should be charged within specified charging period.

Safe Usage Instructions for Li-ion

- Li-ion is of higher danger compared with other batteries. Be sure to carefully read the instructions and follow precautions and charging methods before usage.
- This company won't bear any responsibility resulted from improper usage.
- It is strictly forbidden to charge Li-ion with non-original charger, to avoid explosion and fire hazards. Impact, dismantling, inverse connection of positive and negative polarities and incinerating battery are strictly forbidden, to avoid short circuit resulted from metal objects' impacting positive and negative polarities of battery. And please prevent sharp objects from penetrating battery, to avoid catching fire of battery.
- Be prudent and careful to perform charging, to ensure charging can be performed within your visibility range.
- Charger should be out of reach of children to avoid danger.
- The degraded battery shouldn't be charged, otherwise, battery expansion, deformation, explosion even fire hazard will occur, endangering safety and lives and properties.
- The discarded batteries should be recovered by strictly following national or regional waste disposal decrees, so as not to pollute environment.
