

VEVOR[®]

TOUGH TOOLS, HALF PRICE

Technical Support and E-Warranty Certificate www.vevor.com/support

OUTDOOR STORAGE SHED

MODEL: TY-OP2419

We continue to be committed to provide you tools with competitive price.

"Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

Have product questions? Need technical support? Please feel free to contact us:

Technical Support and E-Warranty Certificate
www.vevor.com/support

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

Warning-To reduce the risk of injury, user must read instructions manual carefully.

WARNING & PRECAUTIONS

WARNING:

1. Wear protective gloves when using tools to install fixed signposts, or use two people to assist with the installation.
2. When using, please read this manual first, and it is recommended to keep it well for subsequent use to view.
3. Before the first installation and use it, you must dry the parts for at least one day to reduce and eliminate odors.
4. Before installation, please place all materials according to the manual list, so that you can check whether there are any missing materials, and it can also reduce the installation time.

WARNING:

1. Wear protective gloves when using tools to install fixed signposts, or use two people to assist with the installation.
2. When using, please read this manual first, and it is recommended to keep it well for subsequent use to view.
3. Before the first installation and use it, you must dry the parts for at least one day to reduce and eliminate odors.
4. Antes de la instalación, coloque todos los materiales de acuerdo con la lista del manual, para que pueda verificar si falta algún material y también pueda reducir el tiempo de instalación.
