This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

SAFETY INSTRUCTIONS

WARNING: The following safety precautions are suggested. This pressure washer hose is designed, engineered and tested to offer reasonably safe and effective service, provided that it is operated in strict accordance with these instructions. Failure to do so may result in personal injury. Always observe the rules of safe operation. 1. Keep away from open flame. This product will ignite and burn if brought into contact with an open flame. 2. Keep away from sharp points, blades and other items, so as not to scratch the product. SAVE THESE INSTRUCTIONS

DESCRIPTION · FEATURE

Our Pressure washer hose with an excellent smaller bending radius and extra swivel function will not coil up and never kink, making your washing job more flexible and efficient.

FEATURE

High-quality hoses can extend the service life and are safe to use. Universal Quick Connect Kit, 3/8" quick connector M22-14mm male and female, can be compatible with most brands of pressure washers.

CUSTOMER SUPPORT

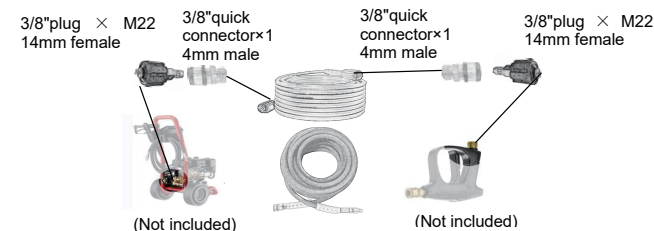

If you find any damage or dissatisfaction after receiving the product, you are welcome to connect with us for the first time, and we will provide you with a satisfactory solution.
