FOLDING PLASTIC CRATE

MODEL: X-6275

We continue to be committed to provide you tools with competitive price.

"Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us.

You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

SAFETY INSTRUCTIONS

1. Do not allow children to use, beware of clamping hands !
2. Do not overload.
3. The plastic box should be put gently to avoid damage caused by uneven force when landing.
4. The goods should be placed evenly to avoid the sharp surface directly pressing on the bottom of the case.
5. Throwing the goods in the plastic turnover box from a height is strictly prohibited.
