Technical Support and E-Warranty Certificate
www.vevor.com/support

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

SAFETY INSTRUCTIONS

1. This product contains small parts. If swallowed, it will pose a choking hazard. Keep these small parts away from children!
2. Read, understand, and follow your power tool manufacturer's instructions for safety. Always wear safety glasses or eye shields before assembly and commencing bin.

MODEL AND PARAMETERS

Model	12119B
Quantity and Color	Large*24(Black)+Small*24(Red)
Large Box Size	160x104x75mm
Small Box Size	100x100x50mm
Product Size	950x542x172mm

CONTENTS

		
Large Boxes x24	Small Boxes x24	Wall Plates x4

	
Accessories Bags x2	User Manual x1

How to Assemble

1. The wall plate serves as a bracket for stacking boxes and tool carriers of different shapes and sizes. They are securely attached to the wall with screws.

Installation on Concrete Wall:

A: Drill holes into the wall.($\Phi 5\text{mm}$ diameter drill bit, drilling depth of 40mm)

B: After clearing the residual soil in the hole, tap the expansion plug into the hole completely.

C: Install the wall plates with screws.

Installation on Wooden Wall:

A: Mounting the wall plates directly with screws.

Installation is complete, and hang the boxes as you need.

MAINTENANCE

1. The bin should be avoided from sunlight exposure so as not to cause aging and shorten the service life.
2. Do not overload.
