KAYAK TRAILER USER'S MANUAL

We continue to be committed to provide you tools with competitive price.

"Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

SAFE INSTRUCTIONS

WARNING: Read this material before using this product. Failure to do so can result in serious injury.

Assembly precautions

1. Assemble only according to these instructions. Improper assembly can create hazards.
2. Wear ANSI-approved safety goggles and heavy-duty work gloves during assembly.
3. Keep assembly area clean and well lit.
4. Keep bystanders out of the area during assembly.
5. Do not assemble when tired or when under the influence of alcohol, drugs or medication.
6. Weight capacity and other product capabilities apply to properly and completely assembled product only.
7. Assemble on a flat, level, hard and smooth surface capable of safely supporting a fully loaded cooler cart.

Use precautions

TO PREVENT SERIOUS INJURY AND DEATH FROM TIPPING:

1. DO NOT SIT, STAND OR CLIMB ON THIS ITEM.
2. This product is not a toy. Do not allow children to play with or near this item.
3. Use only on a flat, level, hard and smooth surface capable of safely supporting a fully loaded chest.
4. Do not lift while loaded.
5. Use as intended only.
6. Inspect before every use; do not use if parts are loose or damaged.
7. Do not pull a Kayak Trailer with any motor vehicle.
8. Do not transport people in Kayak Trailer.
9. Do not exceed the load capacity, otherwise it could cause a component failure or severe injury.

SAVE THIS MANUAL

CAUTION: Carefully read instructions and procedures for safe operations.
