WOODEN WORKBENCH PRODUCT MANUAL

We continue to be committed to provide you tools with competitive price.

"Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

Thank you for purchasing the Wooden workbench from VEVOR. Every effort has been made to ensure the accuracy of the information in this product manual.

COMPLIANCE STATEMENTS

Use of Trademarks, Registered Trademarks, and other Protected Names and Symbols.

This manual may make reference to trademarks, registered trademarks, and other protected names and/or symbols of third-party companies not related in any way to VEVOR. Where they occur these references are for illustrative purposes only and do not represent an endorsement of a product or service by VEVOR, or an endorsement of the product(s) to which this manual applies by the third-party company in question. Regardless of any direct acknowledgment elsewhere in the body of this document, VEVOR hereby acknowledges that all trademarks, registered trademarks, service marks, and other protected names and/or symbols contained in this manual and related documents are the property of their respective holders.

RECOMMEND

This product is a workbench that can be turned over. It can be used without installation. It can be quickly folded and opened for easy operation and storage. The Clamp dog and Quick-clip clamp are used to meet the different needs of users. It is also equipped with the telescopic function of the foot bar to achieve different working heights and provide convenience. The Support arm helps the product build a larger platform and expand the scope of use.

WARNING STATEMENTS

Warning–To reduce the risk of injury, user must read instruction manual.
