# **TV WALL MOUNTS**

## **USER MANUAL**

**MODEL:RLMF3-E**

We continue to be committed to provide you tools with competitive price.

"Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

**CustomerService@vevor.com**

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

## **SAFETY INSTRUCTIONS**

### **WARNING:**

**Read this material before using this product. Failure to do so can result in serious injury.**

### **Assembly precautions**

1. Assemble only according to these instructions. Improper assembly can create hazards.
  2. Wear ANSI-approved safety goggles and heavy-duty work gloves during assembly.
  3. Keep the assembly area clean and well-lit.
  4. Keep bystanders out of the area during assembly.
  5. Do not assemble when tired or when under the influence of alcohol, drugs or medication.
  6. The product capabilities apply to properly and completely assembled products only.
  7. Assemble on a flat, level, hard and smooth surface capable of safely supporting the TV Wall Mounts.
8. For additional information regarding the parts listed in the following pages, please refer to the Assembly Diagram of this manual. Unwrap and separate all parts in a clean work area.

### **Use precautions**

1. This product is designed for use in wood stud and solid concrete wall. -Do not mount on dry wall alone.
2. Do not exceed the maximum weight capacity of this product.
3. The wall must be capable of supporting five times the weight of the TV and mount combined.
4. Do not use this product for any purpose not explicitly specified by manufacture.
5. Inspect before every use; do not use if parts are loose or damaged.
6. Manufacture is not responsible for damage or injury caused by incorrect assembly or use.
