GROW TENT USER MANUAL

We continue to be committed to offering tools at competitive prices. "Save Half", "Half Price", or any other similar expressions used by us only represent an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and do not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when placing an order with us if you are saving half in comparison with the top major brands.

STEP 1

STEP 2

Unzip all zippers of the tent to cover all the way. First, gently pull up the top of the tent shell on the frame to ensure all corners are squarely in place. Having a helper will make this process easier.

STEP 3

Then pull the bottom of the tent shell to cover the base of the tent frame properly. Put all hanging bars on the top of the frame.
