

# **VEVOR<sup>®</sup>**

**TOUGH TOOLS, HALF PRICE**

## **ROOF RACK USER MANUAL**

We continue to be committed to provide you tools with competitive price. "Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

Model: BYCD-002

### NEED HELP? CONTACT US!

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

## Safety & Warning

- Read and understand this entire manual before assembling, installing, operating, or servicing this product. Failure to follow these warnings and instructions can cause death, personal injury or damage to valuable property.
- Adhere to all Department of Transportation (D.O.T.) requirements when using this product. Use ropes and tie downs to securely hold all cargo in place.
- Do not overload the Roof Rack. Never exceed the maximum weight capacity of 200 Lbs.
- Make sure the vehicle is in a safe place for loading ladders and other cargo. Make sure the vehicle's engine is OFF, with parking brake set, before loading or unloading the Roof Rack.
- Do not use to hold or restrain human or animal weight in any manner.
- Before and after each use, check to make sure that all hardware is tightly secured. Regularly inspect for damage. If fraying or distortion is found, immediately discontinue use.
- Use common sense when working. Stay alert and concentrate when setting up and using the Roof Rack. Never work while under the influence of alcohol, drugs or medications.
- While assembling and using the Roof Rack keep work area clean and well lighted. Keep spectators and children out of the work area.
