# **OUTDOOR STORAGE BOX**

## **USER MANUAL**

We continue to be committed to provide you tools with competitive price. "Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

### NEED HELP? CONTACT US!

Have product questions? Need technical support? Please feel free to contact us:

**CustomerService@vevor.com**

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

## IMPORTANT CAUTIONS

**!Please read the following instructions carefully before starting the installation:**

1. Once installed, the product cannot be separated. Please strictly follow the steps in the manual for installation.
2. Before installation, please check whether all parts are intact or sufficient.
3. Some parts contain sharp burrs. Please wear gloves for installation if necessary.
4. When installing with electric tools, please adjust the torque to the minimum to avoid damaging the parts.

## SAFETY INSTRUCTIONS

1. Check all panels/bolts for tightness before use.
2. Assemble all components according to the instructions. Please do not skip any steps!
3. When using electric tools, wear goggles and always follow the manufacturer's instructions.
4. Do not store anything that is very hot, such as a recently used grill, blowtorch, etc.
5. Do not stand on the lid.
6. Do not allow children to play inside the box to prevent the risk of suffocation.
7. Do not store flammable or corrosive substances.
