INSTRUCTION FOR CAT CAGE

MODEL:BSL-4C

We continue to be committed to provide you tools with competitive price.

"Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

WARNING:

Read this material before using this product. Failure to do so can result in serious injury.

Assembly precautions

1. Assemble only according to these instructions. Improper assembly can create hazards.
2. In order to ensure your own safety, please make sure to wear ANSI-approved safety goggles and heavy-duty work gloves when installing this product.
3. Keep the assembly area clean and well lit.
4. Keep bystanders out of the area during assembly.
5. Do not assemble when tired or when under the influence of alcohol, drugs or medication.
6. Product capabilities apply to properly and completely assembled product only.
7. Assemble on a flat, level, hard and smooth surface capable of safely supporting a fully loaded cat cage.

Use precautions

TO PREVENT SERIOUS INJURY AND DEATH FROM TIPPING:

1. DO NOT SIT OR STAND ON THIS ITEM.
2. This product is not a toy. Do not allow children to play with or near this item. Please keep small spare parts out of children's reach.
3. Use only on a flat, level, hard and smooth surface capable of safely supporting a fully loaded cat cage.
4. Use as intended only.
5. Inspect before every use; do not use if parts are loose or damaged.

Components

Assembly Instructions

1. Take out the folding pet cage from the package and place it flat on the ground.

2. Flip it 180 degrees to make it stand on the ground sideways, and then unfold the iron mesh sheets as the picture shows.

3. Continue to unfold the iron mesh sheets carefully to complete the basic frame of the cage.

4. Unfold the iron mesh sheets on both 2 sides and fasten them on the basic frame which has been completed on step 3.

5. Buckle up the meshes on both sides as shown in the picture to complete the overall frame of the cage.

6. Install the wheels on the bottom of the cage. (The tools are included in the packing.)

7. Flip the cage 180 degrees to make it upright on the ground.

8. Put the platform sheets and the stair meshes on each tier of the cage.

9. At last, hang up the hammock and put the soft cushion into the cage to complete the whole installation.
